

Monthly walks (contact Andrew Frankland-Barber for further info)

The scheduled walks for May are as follows

Friday 13th May – Ampleforth Lunch/Pub Walk

With a 10:30am start we will commence from the Village Hall in Gilling East and walk a square route out through the Ampleforth College estate before turning to enter Ampleforth itself and returning via Ampleforth College grounds back to the village of Gilling East.

The route is 6 miles with one climb on the way back from Ampleforth College. The route does permit excellent views of Ampleforth Abbey and College

As this is in the second Friday of the month the options for lunch are The Fairfax Arms Gilling East or The White Horse or The White Swan in Ampleforth. If you fancy lunch let me know by the evening of Tuesday 10th May.

Friday 20th - Thixendale

Carol Midgley is our Walk Leader for this walk of **approx 8 miles**.

Again I am advised there is one potential uphill stretch. As it's a third Friday please remember to bring a packed lunch.

10:30 start with start location to be advised by Carol.

If you do this walk let me know and I will share the start location when advised but I am guessing somewhere in the village!

Looking ahead to June

Due to rearranged holiday commitments Richard Primmer is unable to lead us from

The Seabirds Flamborough on the 10th. A new walk leader and venue will hopefully be found for this date!

Friday 17th Ernie Howard is leading us around Goathland.

10:30 start with a packed lunch. More details early next month.

Hope to hear from you regarding joining us otherwise happy walking and lets hope weather gets a bit warmer!
